

Vancouver Island Soccer League

Intra-Club Permit

(for regular season games only)

Any club team using a player from one of their lower division teams must ensure that the appropriate permit is completed and handed to the game official before the start of the game. Failure to do so may result in disciplinary action against that team and or the player involved. A player is only allowed to play five (5) games in a higher division. There are no intra-club permits allowed in any cup games.
